#Small groups such as: Women's, men's, youth, Bible studies, senior life, singles, or other support groups, choirs, softball team, or other sports teams.

+Annual Average Worship Attendance divided by the sum of auxiliary small groups and Sunday School classes equals AWAPSG. *Do not count governmental groups unless that have a strong fellowship aspect.*

*Annual average Sunday School attendance divided by the number of functioning Sunday School classes equals AAPC. *Please count all classes from nursery through the oldest adult class. Should you have the remains of several classes meeting in one room with one teacher per Sunday that counts as one class.*
